REMARKS

The specification has been amended so that the title reads "METHODS FOR ISOLATION AND LABELING OF SAMPLE MOLECULES." This amendment merely changes the grammatical form of the title and is fully supported by the specification as filed. Accordingly, this amendment does not raise an issue of new matter and entry thereof is respectfully requested.

Attached hereto as Appendix A is a marked up version of the amended title showing specific text changes made in the enclosed amendment using underlining to indicate text added and bracketing to indicate text deleted.

No fee is deemed necessary in connection with the filing of this Communication. However, if any fee is required,
